RE: Response of Records Access Officer

Dear Ms. Boyle,

On Tuesday, August 27th, 2019, I received your request pursuant to the Massachusetts Public Records Law for the following records:

- "...all 911 calls, dispatcher logs, police reports, notes or emails relating to, or making mention of, Ghislaine Maxwell and Scott Borgerson at 301 Summer Street, Manchester-by-the-Sea, MA, from January 1, 2015 to date."

After reviewing your request I have determined that some of these records are public and others are exempt. The following exemptions apply:

1. Chapter 41, Section 97D: All reports of rape and sexual assault or attempts to commit such offenses, all reports of abuse perpetrated by family or household members, as defined in section 1 of chapter 209A, and all communications between police officers and victims of such offenses or abuse shall not be public reports and shall be maintained by the police departments in a manner that shall assure their confidentiality; provided, however, that all such reports shall be accessible at all reasonable times, upon written request, to: (i) the victim, the victim's attorney, others specifically authorized by the victim to obtain such information, prosecutors and (ii) counselors as defined in section 20k or chapter 233, sexual assault counselors as defined in section 20j of chapter 233, if such access is necessary in the performance of their duties; and provided further that all such reports shall be accessible at all reasonable times, upon written, telephonic, facsimile or electronic mail request to law enforcement officers, district attorneys or assistant district attorneys and all persons authorized to admit persons to bail pursuant to section 57 of chapter 276. Communications between police officers and victims of said offenses and abuse may also be shared with the forgoing named persons if such access is necessary in the performance of their duties. A violation of this section shall be punished by imprisonment for not more than 1 year or by a fine of not more than \$1,000, or both

such fine and imprisonment.

2. Massachusetts General Law Ch. 4, Sec. 7(26)(c): personnel and medical files or information; also any other materials or data relating to a specifically named individual, the disclosure of which may constitute an unwarranted invasion of personal privacy.

*** NARRATIVE ***

The following narrative is submitted by: SGT RICHARD NEWTON ID#:273

Report of Sergeant Richard C. Newton:

On Thursday, August 15th, 2109 I was working an elected 8:00am to 4:00pm shift as the shift supervisor in marked patrol unit 997. My partner for the shift was Officer Andrea Locke in marked patrol unit 995. The weather was clear and in the upper seventies.

At approximately 3:29pm I was dispatched to 301 Summer St. for a report of a person attempting to gain access to the residence. The reporting party, Mr. Scott Borgerson (DOB 09/03/1975) lives at the residence and was watching this through his security camera online (he was not home at the time). I responded to the area with Detective Locke in my vehicle and Officer Richard in 995. On arrival a few minutes later we encountered a gray Hyundai pulling down the long driveway of 301 Summer St. It should be noted that there are multiple signs hung conspicuously along the driveway stating that it was private property and that no trespassing was allowed. The Gray Hyundai pulled to the side of the narrow driveway and Detective Locke encountered the driver, a white male appearing to be in his early forties. The man, to be later identified as Mr. William Pavia (DOB 04/06/1979), produced press credentials from a British news agency. According to Mr. Pavia he was sent by his supervisor to knock on the door to the residence regarding a recent news story to one of the former residents there. Mr. Pavia was very apologetic and didn't realize that he couldn't go to the door. Detective Locke gave Mr. Pavia a refresher on Massachusetts General Law regarding trespassing, which he claimed to now understand. He was further advised that he could be subject to arrest due to the conspicuously posted no trespassing/private property signs on the driveway to the residence. He was allowed to leave the property without further incident. We all then checked the residence for signs of forced entry and for unsecured doors. A lone ajar sliding glass door was noted on the second floor of the residence. This door had no means of access from the exterior of the residence only accessible from the interior. The homeowner was later advised of this via telephone. Detective Locke met with Mr. Borgerson at the station after we cleared from this incident.

Respectfully Submitted,

Sergeant Richard C. Newton, #273
Manchester by the Sea Police Department

REPORTING 001174 COONS, MARIANNE E

*** NARRATIVE ***

The following narrative is submitted by: RES RICHARD CHUTE ID#:124

I, Officer Richard Chute of the Manchester-by-the-Sea Police Department, report the following summary of facts.

On Tuesday, August 20th 2019, I was working my assigned 8 A.M. to 4 P.M. shift in marked cruiser 995. My partner for the shift was Officer Ryan Machain in marked cruiser 997.

At approximately 3:45 P.M., I was dispatched to 5 Ocean Street to take a report of possible past threats made. I responded and arrived several minutes later, and was greeted by the reporting party, MARIANNE COONS (DOB: 04/26/1957). COONS explained to me that her neighbor, SCOTT BORGESON (DOB: 09/03/1975), threatened her daughter SKYLAR COONS (DOB: 04/09/1992). SKYLAR arrived seconds later as I continued speaking with MARIANNE. SKYLAR stated that as she was driving a golf cart around their property while babysitting, BORGESON approached them while carrying his phone "intensely and aggressively", and while holding some sort of stick with a metal ending at his side. SKYLAR stated BORGESON said to her "your mother put my child in danger." SKYLAR and MARIANNE then showed me video footage from a security camera on their property of the interaction, which showed exactly what SKYLAR just described.

SKYLAR stated she felt threatened because BORGESON was filming her and the juvenile she was babysitting "intensely." I explained to the COONS' that simply filming was not a threat, and BORGESON has the right to do so on his own property as he wishes. I further explained to the COONS' that based on what they told me, as well as the video footage I was shown, that no criminal act had occurred. I advised the COONS I would be filing a report to document the interaction with BORGESON as a matter of record. MARIANNE thanked me for my time, and I then departed her residence.

I then arrived a short time later at 301 Summer Street to follow up with BORGESON and obtain his account of the interaction with SKYLAR. BORGESON invited me into his residence, and I explained that I simply wanted to get his account of the interaction with SKYLAR for report purposes. BORGESON stated as the golf cart SKYLAR was driving approached him, he held out his phone and began to film, as he has done on multiple occasions. When asked about the stick with a metal end he was supposedly carrying, BORGESON showed it to me, and stated it was a walking stick, and the metal piece seen was simply the top grip part. BORGESON stated he told SKYLAR "your mother has put my child in danger", and that was the end of the interaction. I advised BORGESON that I was not accusing him of any criminal act, I simply wanted to hear his description of the interaction and compare it to what the COONS' stated. BORGESON thanked me for stopping to speak with him, and I then departed his residence.

Nothing further to report.

Respectfully submitted,

Officer Richard Chute - #124
